

CRAFT® WHISKY

WHISKY 3YO

CRAFT® WHISKY is an original, craft product that was created thanks to an impressive fusion of Scottish experience and the talent of Polish technologists. This distinguished product is a fruit of labor of Scottish masters of their trade from the distilleries of Loch Lomond and the expert knowledge of technologists responsible for the production of Polish Grain Whisky. Aged in barrels of American oak, the whisky has an aroma of fruit and vanilla with notes of milk chocolate, hay, meadow flowers enriched with the smell of apples and pears. On the mouth one can sense caramel, chocolate, vanilla, roasted seeds, apples and pears. The finish is light, fruity and slightly peppery. The taste is balanced.

Each bottle of **CRAFT® WHISKY** is packed in a dedicated packaging.
