GOLD BEN

BLENDED SCOTCH WHISKY

GOLD BEN is a classic blended scotch whisky the taste of which takes us to the most colorful region of Scotland. Found in *Loch Lomond Distillery*, the beginnings of which go back to 1814, it represents all that is best in traditional Scottish whisky: perfect harmony of taste and aroma, exceptional softness and surprising background taste – tempting sweetness broken by marked oak note. In **GOLD BEN 3YO** we will find rich taste and aroma filled with desert notes (nuts, vanilla, chocolate, cakes, honey) as well as fruits such as currants. **GOLD BEN 5YO**, on the other hand, has an aroma of dried fruits and nuts, cocoa, blancmange, chocolate, tea biscuits and vanilla accompanied by smoked notes.
