## VODKA WITH THE ADDITION OF OLD APPLE DISTILLATE

**GORZAŁKA WIELKOPOLSKA** is a high quality vodka the flavor and name of which evokes the noble traditions of Polish aristocrats. The product is based on the original recipe manufactured on the basis of luxury grade spirit with an addition of 18 year old apple distillate, which gives it an exceptional aroma of grain, fruits and white wine. Additional aromatic sensations are delivered by light oak note – the effect of maturing of the 18 year old apple distillate in oak barrels. It surprises the palate with dryness broken by sweetness of fruits, wine and creamy notes, which all produce its unique character. In 2020 the vodka received a new label and changed bottle shape.

Exceptional aroma with light oak note is obtained by maturing the 18 year old apple distillate in wooden barrels.
