

JARZĘBIAK CZYSTY LUKSUS

PURE PREMIUM VODKA

JARZĘBIAK CZYSTY LUKSUS is a pure vodka of highest quality manufactured according to the proprietary recipe of the AWW Group. Luxury grade spirit and crystal clear water are the key ingredients of the delicate and noble product. Owing to the multiple filtration process the vodka has a notably smooth and gentle taste. It has creamy and buttery notes on the nose with hints of herbs and grains. You will be surprised by the sweet, milky and creamy texture and a delicate finish with a note of dark pepper.

JARZĘBIAK CZYSTY LUKSUS is marked with Wawrzyn Sign – a sign reserved for the product of the AWW Prestige line.

In 2020 the vodka received a new label and bottle shape.
