LAUFHUND BITTER is a classic sour-sweet liqueur of unique taste based on multiple ingredients and well-kept secret recipe. Unbelievable taste is owed to the composition of no less than 45 herbs, spices, aromas and alcohol extracts. The nose has elements of tea, mint, sage, walnuts even almonds as well as oranges and cloves. The palate has even stronger tones of walnut with marked notes of mint, rhubarb, hawthorn, bitter oranges and ginger. The finish offers notes of autumn – leaves (mainly cherry), dried apples and pears. Tastes great when chilled with slices of oranges or in cocktails.
