

RATAFIA OWOCOWA

RATAFIA is another brand with rich history in the portfolio of AWW Group, the production of which goes back to the 1970s. It is a splendid signature alcohol created as a result of blending fruit macerates, natural fruit juices and their aromas. The ingredients used in its production come from own production and from trusted suppliers caring about the high quality of delivered resources. Tasty, refreshing alcohol with pleasant and delicate texture.

In 2020 RATAFIA received a new label and changed shape of the bottle.
