RECTIFIED SPIRIT

RECTIFIED SPIRIT 70% is the best choice for those passionate about home made alcohol and liqueurs. Manufactured from grade spirits on the basis of high quality grains from a.i. our own farms and crystal clear water. Being distilled a total of six times, it boasts a unique flavor and smell. It is perfect as a basis for fruit and herb alcohol or liqueurs. Being a potent drink, it perfectly brings out the natural taste and aroma of fruits dried in the sun. Thanks to ideal proportions it might be used directly on fruits, without the necessity to dilute it with water. It is possible to place a special order for a peel-off label which, once peeled off, reveals the verified recipe for the liqueur.
