

SPLENDOR ORKISZ

PURE PREMIUM VODKA

SPLENDOR ORKISZ is an exceptional premium vodka, manufactured in small connoisseur editions. It is manufactured from highest quality spring water and undergoes a process of slow distillation a total of six times. Spelt was used to manufacture the spirit – an exceptional grain rich in proteins and minerals cultivated in specialized agricultural farms. **SPLENDOR ORKISZ** undergoes carbon-platinum grade filtration. The original recipe resonates with a perfect balance of flavor and smell evoking a sense of fullness and satisfaction. The nose has an earthy element, creamy on the palate with sweet, spicy and caramel notes.

SPLENDOR ORKISZ is marked with Wawrzyn Sign – a sign reserved for the product of the AWW Prestige line.

In 2020 the vodka received a new label and bottle shape. The bottle is also equipped with a measured pourer.

Noble spelt vodka
created with
