

ŻOŁĄDKÓWKA

PURE VODKA

ŻOŁĄDKÓWKA WÓDKA CZYSTA is a product in the portfolio of the AWW Group added to the product line of herb alcohols. It is manufactured from grade spirit distilled several times, which translated into its exceptionally smooth and delicate palate. The manufacturing process of **ŻOŁĄDKÓWKA** is related to the best traditions of the Polmos distilling industry facility in Łódź from which it also obtained the trademark in 2010. The vodka is a symbolic return to the history of Polish spirit products. It has a traditional bottle design and label that underlines the class and taste of the product.
